USANA Health Sciences, Inc., or the Registrant, hereby incorporates by reference in this Registration Statement the following documents previously filed with the Securities and Exchange Commission (the "SEC"):

- (1) The Registrant's Annual Report on Form 10-K for the year ended January 3, 2015.
- (2) The Registrant's Proxy Statement for its 2015 Annual Meeting.
- (3) The Registrant's Quarterly Report on Form 10-Q for the quarter ended April 4, 2015.

All documents subsequently filed by the Registrant with the SEC under Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, prior to the filing of a post-effective amendment to this Registration Statement that indicates that all securities offered have been sold or that deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be a part hereof from the date of filing of such documents. Any statement in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for the purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document that also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

#### ITEM 4. Description of Securities.

Not applicable (the Registrant's common stock is registered under Section 12(b) of the Exchange Act).

#### ITEM 5. Interests of Named Experts and Counsel.

Not applicable.

#### ITEM 6. Indemnification of Directors and Officers.

The Registrant is subject to the provisions of the Utah Revised Business Corporation Act (the "Revised Act"). Section 16-10a-902 ("Section 902") of the Revised Act provides that a corporation may indemnify any individual who was, is, or is threatened to be made a named defendant or respondent (a "Party") in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative and whether formal or informal (a "Proceeding"), because he is or was a director of the corporation or is or was serving at its request as a director, officer, partner, trustee, employee, fiduciary or agent of another corporation or other person or of an employee benefit plan against any obligation incurred with respect to a Proceeding, including any judgment, settlement, penalty, fine or reasonable expenses (including attorneys' fees), incurred in the Proceeding if his conduct was in good faith, he reasonably believed that his conduct was in, or not opposed to, the best interests of the corporation, and, in the case of any criminal Proceeding, he had no reasonable cause to believe his conduct was unlawful; except that (i) indemnification under Section 902 in connection with a Proceeding by or in the right of the corporation is limited to payment of reasonable expenses (including attorneys' fees) incurred in connection with the Proceeding and (ii) the corporation may not indemnify a director in connection with a

Proceeding by or in the right of the corporation in which the director was adjudged liable to the corporation, or in connection with any other Proceeding charging that the director derived an improper personal benefit, whether or not involving action in his official capacity, in which Proceeding he was adjudged liable on the basis that he derived an improper personal benefit.

Section 16-10a-903 (“Section 903”) of the Revised Act provides that, unless limited by its articles of incorporation, a corporation shall indemnify a director who was successful, on the merits or otherwise, in the defense of any Proceeding, or in the defense of any claim, issue or matter in the proceeding, to which he was a Party because he is or was a director of the corporation, against reasonable expenses (including attorneys’ fees) incurred by him in connection with the Proceeding or claim with respect to which he has been successful.

In addition to the indemnification provided by Sections 902 and 903, Section 16-10a-905 (“Section 905”) of the Revised Act provides that, unless otherwise limited by a corporation’s articles of incorporation, a director may apply for indemnification to the court conducting the Proceeding or to another court of competent jurisdiction. On receipt of an application and after giving any notice the court considers necessary, (i) the court may order mandatory indemnification under Section 903, in which case the court shall also order the corporation to pay the director’s reasonable expenses to obtain court-ordered indemnification, or (ii) upon the court’s determination that the director is fairly and reasonably entitled to indemnification in view of all the relevant circumstances and regardless of whether the director met the applicable standard of conduct set forth in Section 902, the court may order indemnification as the court determines to be proper, except that indemnification with respect to certain Proceedings resulting in a director being found liable for certain actions against the corporation may be limited to reasonable expenses (including attorneys’ fees) incurred by the director.

The Revised Act provides that a corporation may pay for or reimburse the reasonable expenses (including attorneys’ fees) incurred by a director who is a Party to a Proceeding in advance of the final disposition of the Proceeding if (i) the director furnishes the corporation a written affirmation of his good faith belief that he has met the applicable standard of conduct described in Section 902, (ii) the director furnishes to the corporation a written undertaking, executed personally or in his behalf, to repay the advance if it is ultimately determined that he did not meet the required standard of conduct, and (iii) a determination is made that the facts then known to those making the determination would not preclude indemnification under Section 904.

Unless a corporation’s articles of incorporation provide otherwise, (i) an officer of the corporation is entitled to mandatory indemnification and is entitled to apply for court ordered indemnification, in each case to the same extent as a director, (ii) the corporation may indemnify and advance expenses to an officer, employee, fiduciary or agent of the corporation to the same extent as a director, and (iii) a corporation may also indemnify and advance expenses to an officer, employee, fiduciary or agent who is not a director to a greater extent than the right of indemnification granted to directors, if not inconsistent with public policy, and if provided for by its articles of incorporation, Bylaws, general or specific action of its board of directors or contract.

The Registrant’s Bylaws provide for indemnification of its officers and directors to the fullest extent permitted under Utah law with respect to any claims, costs, losses, judgments and amounts paid in settlement resulting from actions against such officers and directors in their capacities as such, except in connection with claims or liability arising out of the director or officer’s own negligence or willful misconduct. The Registrant maintains insurance from commercial carriers against certain liabilities which may be incurred by its directors and officers. The registrant has also entered into separate indemnification agreements with each of its directors and executive officers.

**ITEM 9. Undertakings.**

The undersigned Registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(a) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(b) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(c) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however*, that paragraphs (1)(a) and (1)(b) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement;

(2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and,

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for the purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(the "Company"), issuable under the Company's 2015 Equity Incentive Award Plan (the "Plan").

We have examined the Articles of Incorporation and Bylaws of the Company, each as amended and restated to date, and originals, or copies certified to our satisfaction, of all pertinent records of the meetings of the directors and shareholders of the Company, the Registration Statement and such other documents relating to the Company as we have deemed material for the purposes of this opinion.

We assume that the appropriate action will be taken, prior to the offer and sale of the Shares in accordance with the Plan, to register and qualify the Shares for sale under all applicable state securities or "blue sky" laws.
