The information disclosed below under Item 8.01 is incorporated herein by reference.

**Item 8.01 Other Events**

In a Form 8-K filed with the U.S. Securities and Exchange Commission (the “SEC”) on February 7, 2017, the Company disclosed that it was conducting a voluntary internal investigation regarding its BabyCare operations in China. The investigation focused on compliance with the Foreign Corrupt Practices Act and certain conduct and policies at BabyCare. Also in 2017, the Company voluntarily contacted the SEC and the United States Department of Justice (“DOJ”) to advise both agencies that an internal investigation was underway. The Company subsequently provided additional information to both agencies and has cooperated with both agencies since first advising them of the investigation. As a result of the internal investigation, the Company implemented a number of actions to remediate the issues discovered during the internal investigation, all of which have been previously disclosed by the Company in its Annual Report on Form 10-K for the fiscal year 2017, which the Company filed with the SEC on February 28, 2018.

On June 24, 2020, the SEC informed the Company that it had closed its investigation and declined any enforcement action. The SEC stated that it had reached this conclusion based on a number of factors, including, but not limited to, the Company’s (i) prompt, voluntary self-disclosure of the matters underlying the investigation, (ii) thorough internal investigation, (iii) full cooperation with the SEC, and (iv) remediation of the matters underlying the investigation.

On June 26, 2020, the DOJ informed the Company by letter that it had closed its investigation into this matter, noting the Company’s cooperation during the investigation.
